

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON, D. C. 20551

CONFIDENTIAL (FR)
CLASS III - FOMC

TO: Federal Open Market Committee **DATE:** October 1, 1990
FROM: Gary Gillum *GG* **SUBJECT:** 1991 Meeting Schedule

The tentative schedule for FOMC meetings in 1991 is shown below. It is described as tentative in light of the Committee's practice of confirming the date for each meeting at the preceding meeting.

The proposed schedule circulated on August 17 offered two alternatives for the May meeting. Taking account of the various conflicts in the schedules of the members, it was decided to schedule the meeting for the afternoon of Tuesday, May 14. The remaining dates presented a few scheduling difficulties, but various constraints on the timing of next year's meetings made no other changes feasible. Please note that the December meeting is scheduled for Tuesday, December 17, and the members are asked to hold Wednesday, the 18th, open on their calendars in case a two-day meeting is needed.

February 5-6 (Tuesday-Wednesday)	August 20
March 26	October 1
May 14 (P.M.)	November 5
July 2-3 (Tuesday-Wednesday)	December 17 (18 if needed)

Memo: 1992 February 4-5 (Tuesday-Wednesday)
