

Research Assistant Candidate Survey of Interests

Board of Governors
of the Federal Reserve System

The Board's research divisions study a very wide range of topics. The information you provide here will be used to match your interests with research areas.

Some job candidates have a strong sense of their interests in various fields of economics, but many others are not yet sure. To the degree that you are able, please express your general interest in each of the following areas by circling the appropriate number, where "1" indicates little or some interest, "2" indicates moderate interest, and "3" indicates strong interest. Please feel free to circle "U" if you are uncertain of your potential interest.
