

BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON, D. C. 20551

January 23, 1973

CONFIDENTIAL (FR)

To: Federal Open Market Committee Subject: March FOMC
From: Arthur L. Broida meeting date

Earlier we had suggested that you hold open both March 20 and March 22 for a possible meeting of the Federal Open Market Committee until a firm date had been set for a meeting of the "Committee of 20" expected to be held about that time. This is to advise you that the C-20 scheduling problem has still not been resolved. However, it appears that it will be feasible for the FOMC to meet on one of those two dates. We will advise you as soon as it is possible to reach a decision on the matter.

A handwritten signature in cursive script, appearing to read "Arthur L. Broida".

Arthur L. Broida
Deputy Secretary
Federal Open Market Committee
