

Guidelines for the Conduct of System Open Market Operations in Federal-Agency Issues

Temporarily suspended effective January 27, 2009

1. System open market operations in federal-agency issues are an integral part of total System open market operations designed to influence bank reserves, money market conditions, and monetary aggregates.

2. System open market operations in federal-agency issues are not designed to support individual sectors of the market or to channel funds into issues of particular agencies.
