**RE: Expansion of Fedwire Funds Service and National Settlement Service  
Operating Hours; Docket No. OP-1831**

Dear Ms. Misback:

On behalf of America's Credit Unions, we are writing to request an extension of the public comment deadline for the request for comment (RFC) issued by the Board of Governors of the Federal Reserve System (Board) regarding the proposed expansion of the Fedwire Funds Service and National Settlement Service (NSS) operating hours. America's Credit Unions is the voice of consumers' best option for financial services: credit unions. We advocate for policies that allow the industry to effectively meet the needs of their nearly 142 million members nationwide.

Certain questions posed in the RFC regarding costs, risks, and additional use cases for the expanded operating hours will require additional outreach to our members. To provide informed responses to the RFC, we are requesting an extension of 30 days.

Thank you for considering this request. If you have any questions, please do not hesitate to contact me at 703-842-2266 or [amorris@americascrreditunions.org](mailto:amorris@americascrreditunions.org).

Sincerely,

Andrew Morris  
Senior Counsel for Research and Policy
