Proposal: 1831 Expansion of Fedwire Funds Service and National Settlement Service Operating Hours

Subject: 1831 Expansion of Fedwire Funds Service and National Settlement Service Operating Hours

Fed,

I support the following proposal: both services would operate every day of the year. The operating hours each day would remain the same, with the Fedwire Funds Service open 22 hours per day, and NSS closing 30 minutes earlier, open 21.5 hours per day. Use of the expanded operating days by service participants would be voluntary.
