Postal (if outside the U.S.):

Your comment: All my business property is being sold to further other businesses while using my money and my work to pay for the bills of outside business entity's and that is the reason for the increase of my income tax and I will expect every business using my money my bitcoin as I am the original owner of the property will be taxed on and for theft or non payment of the money being taken and the business will be subject to a penalty for theft
