## Proposal and Comment Information

**Title:** Agency Information Collection (FR TT), ICP-202503

**Comment ID:** FR-2025-0010-01-C03

## Submitter Information

**Name:** Anonymous

**Submitted Date:** 02/26/2025

I am writing to submit my comment on the proposal to extend the Reporting Requirements associated with Regulation TT (FR TT; OMB No. 7100-0369) for three years without revision.

I support the extension of the current reporting requirements but encourage the Board to continue monitoring their effectiveness and consider any future adjustments as needed.
