Submitter Information

Name: Anonymous

Submitted Date: 02/26/2025

I am writing to submit my comment on the proposal to extend the Recordkeeping Provisions associated with the Interagency Statement on Complex Structured Finance Activities (FR 4022; OMB No. 7100-0311) for three years without revision.

I support the continuation of the current provisions but encourage the Board to monitor and assess the need for potential adjustments as market conditions evolve.
