GENERAL INFORMATION AND INSTRUCTIONS

Preparation and Use

This form is used to file notice to acquire, under certain circumstances, shares of depository institutions or depository institution holding companies, as required by the Change in Bank Control Act, as amended (12 U.S.C. 1817(j)). The information must be submitted to the appropriate regulatory agency of the institution whose shares are to be acquired. All inquiries on preparation of the notice should be directed to that agency which, in some circumstances, may modify the information requested. The regulatory agency will review the submitted notice to determine if it is complete. If so, an acknowledgement letter will be sent indicating the date complete, which begins the 60-day statutory review period. If the submitted notice is not complete, the regulatory agency may either request additional information or it may return the notice. If the required information is not available, please explain. The questions are not intended to duplicate information supplied on another form or in an exhibit; a cross reference to the information is acceptable.

For additional information regarding the processing procedures and guidelines, and any supplemental information that may be required, please refer to the appropriate regulatory agency's procedural guidelines (i.e., Comptroller's Corporate Manual, the FRB's Processing Applications Through the Federal Reserve System and the Applications Procedures Manual, the FDIC's Rules and Regulations (12 C.F.R. § 303.4) and relevant policy statements, or the OTS' Application Processing Handbook), or contact the agency directly for specific instruction.

Biographical and Financial Report

To assist the regulatory agencies in evaluating the factors specified in the Change in Bank Control Act, an *Interagency Biographical and Financial Report* must be submitted for **each** person named in the notice.

Supporting Information

The formal questions in the notice are not intended to limit the acquiror's presentation and the regulatory agency may request additional necessary information. If any information furnished in the notice changes materially during the processing of the notice or prior to consummation, such changes should be communicated promptly to the regulatory agency with which the notice was filed.

Compliance

The proposed acquiror is expected to comply with all representations and commitments made in this notice.

Transactions subject to the Hart-Scott-Rodino Antitrust Improvement Act of 1976 (15 U.S.C. 18a), which applies to certain very large transactions, require a pre-merger filing with the Federal Trade Commission and the Department of Justice.

Notice of Publication

An acquiror must publish an announcement of the proposed acquisition in a newspaper of general circulation in the community in which the head office of the financial institution or holding company is located. In the case of a bank holding company, an announcement must also be published in each community in which the head office of a bank subsidiary of the holding company is located. A copy of the affidavit(s) of publication should be submitted to the appropriate regulatory agency. Contact the appropriate regulatory agency for the specific requirements of the notice of publication.

Confidentiality

In general, requests for confidential treatment of specific portions of the notice must be submitted in writing concurrently with the submission of the notice and must discuss the justification for the requested treatment. An acquiror's reasons for requesting confidentiality should specifically demonstrate the harm (e.g., to its competitive position, invasion of privacy) that would result from public release of information (5 U.S.C. 552). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential". An acquiror should follow the same procedure regarding a request for confidential treatment with regard to the subsequent filing of supplemental information to the notice.

An acquiror should contact the appropriate regulatory agency for specific instructions regarding requests for confidential treatment. The appropriate regulatory agency will determine whether the information submitted as confidential will be so regarded and will advise the acquiror of any decision to make available to the public information labeled as "Confidential".
