

Email Scam Script
Federal Reserve Board

NARRATOR. Have you received an email, claiming to be from the Federal Reserve, saying that money is owed to you?

It's a scam! Fed employees never directly email the general public unsolicited, ever!

If you've received an unsolicited email like this, do not click on any links or share any personal information and delete them immediately. If you think your personal financial information has been compromised, contact your bank and local law enforcement. You can also file a complaint with the FBI's Internet Crime Complaint Center at [iC3.gov](https://www.ic3.gov). To find out more about this and other scams, click on the link in this post.
