BOARD OF GOVERNORS
OF THE
FEDERAL RESERVE SYSTEM
WASHINGTON, D. C. 20551

STRICTLY CONFIDENTIAL (FR)
CLASS III - FOMC

TO: Federal Open Market Committee DATE: October 6, 1993
FROM: Gary Gillum *GFG* SUBJECT: 1994 Meeting Schedule

A proposed schedule for FOMC meetings in 1994 that follows the pattern of recent years is shown below. As usual, the intervals between meetings have been made as equal as possible, taking into account the constraints imposed by IMF/BIS meetings, Humphrey-Hawkins reporting dates, U.S. Treasury quarterly refunding auctions, various holidays, and the release of the employment report. The November 15 date is not ideal in terms of intermeeting intervals, but the better November 8 date would conflict with an anticipated BIS meeting and the Treasury quarterly refunding.

Please advise me by October 13 whether the proposed schedule is acceptable to you.
